

# Health & Wellness Appointment Scheduling

**pickAtime's** Health & Wellness online scheduling system allows medical and health care providers to easily take appointments for flu shot vaccinations, blood donations, health screening exams and other health and wellness related programs.

*"PickAtime has become a major selling point for our organization. Our customers love the functionality and ease of use."*

David Grieff  
Vice President of Sales,  
FluBusters

**pickAtime's** online appointment scheduling program simplifies the entire process of Health & Wellness Appointment Scheduling.

## Benefits of Health & Wellness Appointment System

- Reduces the time involved in scheduling events
- Eliminates the need for pen and paper scheduling
- Provides the ability to monitor appointment registration in real-time and make immediate changes to the schedule
- Sends email reminders prior to the scheduled appointment
- Able to accept credit card payments online
