

K-12 Online Appointment Scheduling

pickAtime's online appointment scheduling program simplifies the entire process of Online Appointment Scheduling.

Any College or University that takes appointments can benefit from pickAtime's online scheduling service.

Save time with our simple system and eliminate pen and paper scheduling

Schedule appointments for:

Student counselor appointments
Volunteer signup
Summer School Registration
Teacher Training sign up
Advisor and Advisee Session
High School Career Fair
School Logo Gear Ordering
School Tours

Benefits of an Online Appointment Scheduling System

- Reduces the time involved in scheduling events
- Eliminates the need for pen and paper scheduling
- Reduces back and forth phone call/email messaging
- Provides the ability to monitor appointment registration in real-time and make immediate changes to the schedule
- Sends email reminders prior to the scheduled appointment
- Provides appointment calendar notification for both students and faculty

HOW IT WORKS

ADMINISTRATORS

- Create an online account with pickAtime
- Use pickAtime's online manager set up schedules
- Direct customers to the online scheduling page

YOUR STUDENTS/PARENTS/FACULTY

- Login at their convenience to view available time slots and sign-up in minutes
